FUNDRAISING TIPS

START A TEAM TODAY! **RallyAgainstCancer.org**

1. Offer additional dress down days leading up to the NFL Season.
2. Ask local businesses to donate items that can be used as incentives, opportunity drawing prizes, or for a charitable auction. Ask your company to donate a prime parking spot, day off, dining dollars, or tickets to a corporate sponsored event.
3. Ask your company about matching gifts.
4. Post an announcement about your Rally team on the company website or newsletter.
5. Host a Rally Day party, pizza party, ice cream social, potluck, chili cook-off, trivia night, 5k run/walk, mini-golf or corn hole tournament, happy hour, or bowl-a-thon at work or a local venue. All guests pay an entrance fee to support your team's total fundraising.
6. Set up a tray of bagels or donuts in a communal kitchen with a contribution box or a table in a high-traffic area and ask everyone who walks by to give to your Rally team.
7. Organize a fitness class (yoga, spinning, kickboxing) and charge an entrance fee.
8. Recycle outdated electronics to benefit the environment and raise money for your Rally team through the Upcycling program.
