# Create a Facebook Fundraiser to support Rally Against Cancer

A Facebook Fundraiser is an easy and effective way to raise money for your Rally team and help you reach your fundraising goal. Log in to your participant center and follow these steps to start yours today.

- 1** Log in to your Participant Center and select “Start Fundraiser” from your Next Steps.

- 2** Log in to your Facebook account through the pop-up window on-screen.

- 3** On the next pop-up window, allow the Jimmy Fund to receive your name, profile photo, and manage your Facebook Fundraiser by clicking the “Continue as [Your Name]” button.

- 4** The pop-up will close, and the link to access your Facebook Fundraiser will appear in your Participant Center’s Next Steps section.

- 5** Personalize your Facebook Fundraiser through your Facebook account with a photo and the reasons you are raising funds. Your Fundraiser will automatically post to your News Feed to spread the word to your family and friends.
