TO SUNSET**

6 WAYS TO FUNDRAISE

1 Get social

Ask for contributions through Facebook, Twitter, and Instagram. Share a photo and link friends and family directly to your personal fundraising page with one click.

2 Host a yard sale

Look around your house for items you no longer need or use and hold a yard sale with proceeds to benefit the Jimmy Fund.

3 Hold a workplace drawing

Find an item(s) that would be of value to your coworkers, such as lunch for a day, a car wash, or sports memorabilia. Sell tickets to an opportunity drawing to determine the winner.

4 Utilize matching gifts

Remind your donors to check if their companies match charitable gifts to seamlessly double their impact.

5 Dedicate golf balls

Offer to write the names of your donors' loved ones on your event-day golf balls when they make a gift of \$25 or more. Send the ball with a thank you note after the event.

6 Host an event

Turn your favorite activity into a fundraising event. Whether it is mini golf or a dinner party, you can raise money while having fun with friends.
