

# Create an Event Fundraising Page

Creating an online event fundraising web page is an easy and effective way to raise money for Dana-Farber Cancer Institute and the Jimmy Fund. Our Jimmy Fund team is here to help! In a few steps, you can have a fundraising page to share with your network.

# 1

Visit [MyJimmyFundEvent.org](http://MyJimmyFundEvent.org).

# 2

Fill out the contact form and a member of our team will contact you to approve your fundraising page.

# 3

Once you're approved, you can personalize your fundraising page with your story, photo, and why you're raising funds. Don't forget to create your short URL so your page's address is easy to share.

# 4

Spread the word! Share your event fundraising page with family and friends through email and social media.
