a message from hyundai motor america

Dear Jimmy Fund Walk participants,

Hyundai Motor America is proud to be the presenting sponsor of the 35th annual Boston Marathon® Jimmy Fund Walk. As we walk together toward a shared goal of defying cancer, we are honored to be part of such an incredible event, fueled by the dedication of thousands of passionate walkers, volunteers, and supporters.

Since 1998, Hyundai has contributed nearly \$16 million to Dana-Farber Cancer Institute through its involvement with the Jimmy Fund Walk and the national Hope on Wheels initiative, supported by Hyundai Motor America and dealers nationwide. In 2022, our company's Walk team was excited to reunite on the Boston Marathon® course after two virtual years, raising nearly \$200,000 for cancer care and research.

The first and only automobile manufacturer in the U.S. to focus exclusively on raising awareness and funds for pediatric cancer, Hyundai will continue to walk with you to support patients at Dana-Farber and around the world.

We look forward to seeing you on the iconic Boston Marathon course on Sunday, October 1 and we send our support to those of you walking "your way" in your own neighborhoods.

Sincerely,

The Eastern Region Hyundai Dealers

a message from the jimmy fund walk staff

Dear Jimmy Fund Walk Community,

Thank you for registering for the 35th annual Boston Marathon® Jimmy Fund Walk presented by Hyundai. 2023 also marks the 75th anniversary of the Jimmy Fund, and we are excited to celebrate this milestone year with our amazing community of walkers, volunteers, and supporters. We are also grateful to Hyundai, our presenting sponsor, who has remained a dedicated partner in Dana-Farber Cancer Institute's mission to defy cancer.

The Jimmy Fund Walk continues to raise the most money of any single-day walk in the nation. Since its inception in 1989, Walk participants have raised more than \$167 million for cancer care and research. As we come together on the Boston Marathon® course and in our local communities this fall, we could not be more appreciative of your commitment and the innovations in cancer treatment you are helping to make possible. Let's make our 35th year the most successful yet—and a great start to the Jimmy Fund's next 75 years!

The Walk staff is here to help as you prepare to walk, fundraise, start a team, engage your network, and thank your donors. Whether you're walking with us for the first time, or you count yourself among our Jimmy Fund Walk alumni—thank you. We look forward to walking together against cancer with you on Sunday, October 1.

Sincerely,

The Boston Marathon Jimmy Fund Walk Staff

boston marathon® jimmy fund walk presented by hyundai

about the event

The Boston Marathon® Jimmy Fund Walk presented by Hyundai raises the most money of any single-day walk in the nation and has raised more than \$167 million since 1989 for Dana-Farber Cancer Institute’s fight against cancer. In 2022, more than 7,600 walkers raised a record-breaking \$8.8 million.

The Jimmy Fund Walk has been raising money to defy cancer for more than a quarter century. In 2023, we anticipate 8,000 walkers, 850 volunteers, and hope to raise \$9 million to support Dana-Farber Cancer Institute and the Jimmy Fund.

your support makes a difference

Money raised for Dana-Farber Cancer Institute and the Jimmy Fund is part of The Dana-Farber Campaign, our ambitious, multi-year fundraising effort to prevent, treat, and defy cancer by accelerating revolutionary science, extraordinary care, and exceptional expertise. The money you raise will help support:

- Needs-based assistance for families going through financial hardships related to a cancer diagnosis
- Funding for [Dana-Farber’s Cancer Care Equity program](#)
- Advancement of [genetic testing](#)
- And [much more!](#)

IN THE BEGINNING...

In 1989, 667 walkers raised \$161,014 at the inaugural Boston Marathon Jimmy Fund Walk.
